

Consent to the processing of personal data

Art. I

Introductory provisions

The buyer, who is the data subject pursuant to Act No. 18/2018 Coll. on the Protection of Personal Data and on amendments and supplements to certain laws (hereinafter referred to as the “Act”) and the Regulation of the European Parliament and of the Council (EU) 2016/679 of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (hereinafter referred to as “the Regulation”) hereby expresses its consent to the processing of personal data for the purpose listed below.

If the buyer has not reached the age of 16, this consent to the processing of personal data must be provided or approved by the statutory representative.

Art. II

Scope of processed personal data

The seller shall process the personal data of the buyer to the extent necessary for the purpose of processing the personal data, namely: name, surname, date of birth, telephone number, e-mail address, domicile or domicile of the buyer, business ID, tax ID, VAT ID or another identification number of the buyer.

Art. III

Identification data of the seller

(who is controller pursuant to the Act and the Regulation):

Name: PPI ADHESIVE PRODUCTS Ltd

Seat: Units 5/6, Industrial Estate, Waterford, Ireland

Registered in Ireland no.: 48247

Art. IV

Purpose and legal basis of the processing of personal data:

The purpose of the processing of personal data is the conclusion of a purchase agreement via internet with PPI ADHESIVE PRODUCTS Ltd., business ID: 48247, with registered office at Units 5/6, Industrial Estate, Waterford, Ireland, registered in the Commercial Register of the District Court of Waterford, section Ltd, as the seller on the one hand (hereinafter referred to as the “Seller” or “PPI Adhesive Products”) and the buyer the other hand (hereinafter referred to as the "Buyer"), whereas the subject of the purchase agreement are all products offered by the Seller, specified in the bid (hereinafter referred to as the “Purchase Agreement”).

The purpose of processing personal data is also the delivery of goods pursuant to the concluded Purchase Agreement.

The seller shall carry out the processing of personal data for the purpose of fulfilling the concluded Purchase Agreement, as well as the legal claims of the contracting parties arising therefrom against the other party or the third party.

The legal basis for the processing of personal data for the above purposes is, as follows:

- consent of the data subject,
- data processing is necessary to fulfill the concluded purchase agreement,
- the processing of personal data is necessary for the purpose of the seller's legitimate interests, in particular the application of the rights arising out of the concluded purchase agreement.

Art. V

Transmission of personal data to the third country

The seller has established organizational units also in the countries that are not member countries of the European Union or a contracting party to the Agreement on the European Economic Area (hereinafter referred to as the “third country”). These countries are the United States, the Russian Federation, the United Arab Emirates, India, Singapore, China, South Korea. The seller uses a single in-house personal database of personal data (also referred to as a “single database”) and a single accounting system to store the above personal data of buyers, resulting in the transfer of the buyer's personal data to those third countries as well. With regard to the use of an enterprise database and a single accounting system, the transfer of data to the third countries is necessary to perform the agreement between the buyer and the seller.

The seller declares that it won't transfer the personal data to the third countries in any way other than that mentioned in the previous paragraph.

The buyer hereby expressly agrees to the transfer of the above personal data to the said third countries and the transfer of personal data will only take place within the single database and the seller's single accounting system.

Art. VI

Time of retention of personal data

The controller shall keep personal data for the time necessary to achieve the purpose of the processing of personal data, i.e. at the latest by the end of the existence of the legal claims of the parties to the concluded purchase agreement.

For the purposes of archiving, the seller may store the buyer's personal information even after the aforementioned period. The seller may store the buyer's personal data solely in a form that does not allow the identification of the buyer. For these purposes, the seller has received reasonable assurance, which includes the introduction of adequate and effective technical and organizational measures, in particular to ensure compliance with the principle of data minimization and pseudonymization.

Pseudonymization is the processing of personal data in such a way that it cannot be attributed to a particular seller without the use of additional information if such additional information is kept separate and includes technical and organizational measures to ensure that

personal data could not be attributed to the identified natural person or an identifiable natural person.

If the seller does not archive the personal data after the aforementioned period, it shall destroy the data without undue delay.

Art. VII

The buyer has the right to request from the seller access to personal data relating to the buyer's person, the right to rectification of personal data, the right to erasure of personal data, and right to the restriction of processing, the right to object to the processing of personal data, as well as the right to portability of personal data. More detailed information on these rights is available on the seller's website.

Art. VIII

The buyer has the right to revoke the consent to the processing of personal data concerning him/her at all times. Revocation of consent does not affect the lawfulness of the processing of personal data based on consent prior to its revocation. The buyer may revoke the consent in the same way he has given his consent.

Art. IX

In the event that the buyer is affected by his/her rights set forth by law, he/she has the right to initiate the proceedings with the Office for Protection of Personal Data of the Slovak Republic pursuant to section 100 et seq. of the law.

Under the Regulation, the buyer is entitled to lodge a complaint with the supervisor, in particular in the Member State of his habitual residence, place of work or at the place where the alleged infringement is committed, if he or she thinks that the processing of personal data concerning him or her is contrary to this Regulation.

Art. X

Buyer personal information is required on:

- the conclusion of a purchase agreement within the meaning of Art. I hereof,
- to fulfill the rights and obligations pursuant to the concluded purchase contract, and
- to recover possible claims of the parties to the purchase agreement against the other party or a third party.

In the absence of consent to the provision of personal data, the buyer shall not enter into the purchase agreement with the seller and shall not take into account the orders of this seller.

Art. XI

The seller does not use automated, individual decision-making to process personal data.

Art. XII

Final provisions

Buyer declares that he or she has read and duly consented to the processing of personal data within the meaning of this document.

The seller declares that he has taken the appropriate technical and organizational measures to ensure and demonstrate that the processing of personal data is carried out in accordance with the law and regulation.
